Merck & Co., Inc., Disclosure of Payments to U.S. Speakers for Promotional (non-CME) Medical Education Activities conducted in 3Q and 4Q 2009

a When payments for 1 or more events are made to a contracted speaker, to his or her organization, or both (eg, fee to organization, incidental expense reimbursement to individual), the total number of events will be displayed in the speaker's "Total" row within the "No. of Events" column. Merck & Co., Inc., Disclosure of Payments to U.S. Speakers for Promotional (non-CME) Medical Education Activities conducted in 3Q and 4Q 2009

a When payments for 1 or more events are made to a contracted speaker, to his or her organization, or both (eg, fee to organization, incidental expense reimbursement to individual), the total number of events will be displayed in the speaker's "Total" row within the "No. of Events" column. Merck & Co., Inc., Disclosure of Payments to U.S. Speakers for Promotional (non-CME) Medical Education Activities conducted in 3Q and 4Q 2009

a When payments for 1 or more events are made to a contracted speaker, to his or her organization, or both (eg, fee to organization, incidental expense reimbursement to individual), the total number of events will be displayed in the speaker's "Total" row within the "No. of Events" column. Merck & Co., Inc., Disclosure of Payments to U.S. Speakers for Promotional (non-CME) Medical Education Activities conducted in 3Q and 4Q 2009

a When payments for 1 or more events are made to a contracted speaker, to his or her organization, or both (eg, fee to organization, incidental expense reimbursement to individual), the total number of events will be displayed in the speaker's "Total" row within the "No. of Events" column. By presenting the information in this format, the possibility of double-counting events where a payment is divided between the speaker and his or her organization is avoided.
 b Amount equals Fee plus Incidental Expense Reimbursement (Includes mileage, parking, meals, phone, tolls, and taxi; excludes airfare, car service/rental, and hotel).

Merck & Co., Inc., Disclosure of Payments to U.S. Speakers for Promotional (non-CME) Medical Education Activities conducted in 3Q and 4Q 2009

a When payments for 1 or more events are made to a contracted speaker, to his or her organization, or both (eg, fee to organization, incidental expense reimbursement to individual), the total number of events will be displayed in the speaker's "Total" row within the "No. of Events" column. By presenting the information in this format, the possibility of double-counting events where a payment is divided between the speaker and his or her organization is avoided.
 b Amount equals Fee plus Incidental Expense Reimbursement (Includes mileage, parking, meals, phone, tolls, and taxi; excludes airfare, car service/rental, and hotel).
